Have a good meeting tomorrow. I'm in Washington, D.C., so won't be joining you. We met with Bob Fenton and his team today, and it sounds like the Cat 3 trees are not an issue from a FEMA funding eligibility standpoint, and it's really about how the State can operationalize it now.

See you all next week!

Good afternoon everyone -

Quick reminder of tomorrow's meeting tomorrow up in Paradise. Below is a general agenda that we can follow.

General Update:

1. Interim Housing Updated - FEMA
Sam out this week

* General update

* TSA Update

* What is a definition of emergency medical needs - with FEMA mandatory "wrap around services"? Also MH services required?

2. Debris Update - OES

3. Sheltering Update - Shelby

Jurisdictional Issues

1. TOP

* TOP stated we need MUCH MORE detailed information on identified damages (Roads - specific mileage, specific culvert details, etc.). Need clear direction on any changes in the requirements for Public Assistance. Ryan and Tina to follow up on this.

* TOP items...

2. County:

a. Update on Cat 3 trees - Tina said she would dig into this...as Eric was to get us an answer last Friday.
